Project Office
Department of Information Technology
University of the Punjab
Gujranwala Campus

Notice
Dated: 12/05/2023

All the students of BS (IT) & BS (CS), Session (2019-2023), Morning & Afternoon, are hereby directed to submit their **Projects' Final Documentation in Ring Binding Form not later than May 26, 2023 (Friday) during Office Timing (8:30 AM to 4:30 PM) to the Project/Faculty Office at Department of IT**. In addition to this they are also informed that their Final Projects' Viva Voce will be conducted within two days of ending of their Final Term Exam (tentatively). The **final commencement date of Viva Voce** and the schedule of sequence of presentation for each group accompanied by supervisors' details shall also be provided **after the availability of date sheet** of your final term exam.

Before final presentation you are anticipated to accomplish the following:

1. Each group must have submitted the hard copy of their Original Final Documentation in **Ring Binding Form** to the Project Office till May 26, 2023 (Friday).

2. Each member in the group must have their application installed, configured and running on his/her individual computer/laptop, so that we can switch to the other system in case application crashes or some other problem occurs.

3. In case of Applications using tables to store data at the back end (e.g., Database Applications or E-commerce type Applications), each group must have entered Dummy Data in real format for **at-least 50 records or transactions** occurred on different random dates and distributed over a period of 3 to 4 months.

4. Each group is advised to test their application thoroughly & repeatedly for network and database connectivity. As in case, their application crashes, they have to reappear in viva voce next year.

5. Each group must have ensured the seamless internet connection with good connection speed.

In addition to this on the **Presentation/Viva Voce Day**:

1. Each group must bring the original documentation in **Ring Binding Form**.
2. Keeping in view the current **load shedding scenario** each group must ensure that their laptop have sufficient power backup for the presentation and all the connecting cables are available and compatible to the multimedia.
3. Moreover each group must ensure their own high speed internet facility.

In case any query/question you may contact your respective supervisor or enquire project office via email, what's app or cell phone.

(Muhammad Younas)
Project Coordinator

Note:

1. For the convenience of the students, Guidelines and the Sample of Final Documentation are made available in hard form at the Project Office/Faculty Room and students can obtain it during working hours from the departmental clerk. Moreover it is also being shared among What's App Groups of Students. Besides this, it can also be downloaded from the following link:
   www.pugc.edu.pk
2. All those students who have not yet submitted their one or more deliverable(s) of final projects are warned to do so at their earliest. In case of failure they will not be allowed to appear in Viva Voce.

D & H.C.P. to:-

1. Incharge IT Department
